If your child is interested in making friends, being outside, learning about golf, improving golf skills, and having fun, then we are the program for you! In a safe environment, participants will seamlessly learn from trained coaches all about **First Tee’s Core Values and Life Skills**. Through an interactive teaching approach, kids will learn life lessons on and off the course.

No equipment is needed as we will provide everything a young person needs to learn and enjoy the great game of golf -- including their very own golf shirt and hat!
