Using a personalized online fundraising page through **Pledge It**, we provide the tools to reach out to your friends, family and co-workers to consider a “per hole” pledge or flat donation to support your efforts to raise funds for our chapter.

Tell your story of why First Tee – Cleveland is important to you and the impact the organization has on deserving kids in our community!

Why Support First Tee – Cleveland?

We rely on donations to support programming. Your support will help us reach more local kids and teens in need of social and emotional skills. Participant fees contribute **only 7% of the yearly revenue** necessary to continue delivering our proven curriculum and to expand our positive impact on and off the golf course.

In 2022, we served over 2,700 kids and teens through our program locations, school program and community program. We're also partnering with **Cleveland Metropolitan School District's K-8 schools**. Kids today deserve our program now more than ever.

Join us for a great golf experience while supporting an important cause!
