Mission

To enable youth to build the strength of character that empowers them through a lifetime of challenges.

Our Positive Impact

We're **Building Game Changers** by empowering kids and teens ages 7-18 across Northeast Ohio to be the best version of themselves.

First Tee – Cleveland positively impacts kids by providing educational programs that build character and instill core values through the game of golf.

Local kids benefit from First Tee experiences through our six program locations, our school programs and community partnerships. The First Tee program is now delivered in 66 CMSD K-8 schools. Your support helps us fill the gap between what our participants pay and the cost to deliver quality programs.

Dear Friends,

For more than 20 years, **First Tee – Cleveland** has transformed the lives of young people through character-building programs that go far beyond the game of golf. Thanks to our new **Woodworth Activity Center**, we have expanded our reach and deepened our impact, providing even more deserving kids in our community with a safe, supportive, and inspiring environment year-round.

Today's youth face more challenges than ever before — rates of depression and isolation are at an all-time high. At First Tee – Cleveland, we offer a positive outlet where kids not only learn the game of golf but also develop essential life skills that will guide them for years to come.

To continue our mission, we need your support. Participant fees account for **only 7%** of our revenue, yet we remain committed to never turning a child away. Last year alone, more than 2,300 kids experienced our proven, fun, and life-changing programs, and with your generosity, we can reach even more.

When you sign up, you're not just playing a round of golf — you're changing lives through the game. Golf instills confidence, integrity and perseverance, and your participation ensures that young people receive these invaluable lessons both on and off the course. Perhaps you might even consider having your company as a Presenting Sponsor, amplifying your impact and demonstrating your commitment to empowering future generations.

We invite you to be a game-changer by joining us for a fabulous day of golf at **The Country Club** — one of our region's most prestigious private clubs. Your support makes all the difference.

Thank you for believing in our mission and for helping us empower the next generation through golf and life skills. We can't wait to see you on the course!

With gratitude,

Craig
