

Fit To A Tee

2026 Winter Culinary Program

"Let's Cook Cleveland!"

Global Flavors, Local Kitchen!

Join us for an exciting **Fit to a Tee** culinary session as we explore the food culture of our city, one dish at a time.

From **Central American** and **Eastern European** flavors to **Middle Eastern, Asian, and African** cuisines, we'll discover how culture, tradition and community come together in the kitchen.

We'll get hands-on in the kitchen, learn different techniques from around the world, and take a **field trip** to see Cleveland's food culture in action.
