Why Support First Tee – Cleveland?

We rely on donations to support programming. Your support will help us reach more local kids and teens in need of social and emotional skills.

Participant fees contribute **only 7% of the yearly revenue** necessary to continue delivering our curriculum and to expand our positive impact on and off the golf course.

More than 20,000 kids and teens are connecting with First Tee across our golf course locations, community partnerships, and in-school programs. Kids today deserve our program now more than ever.

Join us for a great golf experience while supporting an important cause!

Fundraise Using GiveSmart

While there is no fee to play, First Tee asks all golfers to raise a minimum of \$500. The sky's the limit to how much you can raise!

Using GiveSmart, we provide the tools to reach out to your friends, family and co-workers to consider a donation in support of our chapter and in honor of your efforts.

Tell your story of why First Tee - Cleveland is important to you and the impact the organization has on kids in our community.

It's easy to share your page on social media. Do your own thing or use the content we provide, and share!

Hole Sponsorships

Consider a **\$250 Hole Sponsorship** to lend your support.

Recognition will be provided in signage and in event promotional material.
