2613 Bradley Road, Westlake, Ohio

The Course: Designed in 1921 by legendary golf course architect **A.W. Tillinghast**, Lakewood Country Club is the only Tillinghast-designed course in Ohio. His design emphasized strategy, bold hazards and shot values that challenge skilled players. The recent restoration represents a return to the original architectural intent while elevating the course for the modern era.

Led by architect **Keith Foster**, the project included expansion and restoration of the greens, the reconstruction of bunkers to match Tillinghast's original style and selective tree removal to restore historic playing corridors and sightlines.

A highlight was the restoration of Lakewood's Great Hazard -- a bold, defining strategic feature of the course. The modernized drainage and turf conditions help the course play firmer and faster in line with Golden Age design principles.

Recognized by **Golf Digest** as one of the **Best Renovations of 2025**, Lakewood offers a top notch golf experience, blending historic architecture and strategic design at the highest level.

Our Positive Impact

We're **Building Game Changers** by empowering kids and teens ages 7-18 across Northeast Ohio to be the best version of themselves. **First Tee – Cleveland** positively impacts kids by providing educational programs that build character and instill core values through the game of golf.

Local kids benefit from First Tee experiences through our six program locations, our school programs and community partnerships. The First Tee program is now delivered in all CMSD K-8 schools. Your support helps us fill the gap between what our participants pay and the cost to deliver quality programs.

Dear Friends,

For more than 20 years, **First Tee – Cleveland** has transformed the lives of young people through character-building programs that go far beyond the game of golf. Thanks to our **Woodworth Activity Center**, we have expanded our reach and deepened our impact, providing even more deserving kids in our community with a safe, supportive and inspiring environment year-round.

Today’s youth face more challenges than ever before. First Tee offers a positive outlet where kids not only learn the game of golf but also develop essential life skills that will guide them for years to come.

To continue our mission, we need your support. Participant fees account for **only 7%** of our revenue, yet we remain committed to never turning a child away. Last year alone, more than 2,300 kids experienced our proven, fun and life-changing programs, and with your generosity, we can reach even more.

When you support our Annual Benefit, you’re not just playing a round of golf – you’re changing lives through the game. Golf instills confidence, integrity and perseverance, and your participation ensures that young people receive these invaluable lessons both on and off the course. Consider participating as an event sponsor, amplifying your impact and demonstrating your commitment to empowering future generations.

We invite you to be a “game-changer” by joining us for a fabulous day of golf at **Lakewood Country Club** in Westlake – one of our region’s most prestigious private clubs. Your support makes all the difference. We can’t wait to see you on the beautifully-renovated course!

With gratitude,

Craig
